# Meeting minutes for February 2008

We had a record attendance with 36 members present. The treasurer report indicated that we have \$382.00 in the treasury with more dues money expected.

We had a visitor, Carl Turley, who own a flea market . Carl has not build any kits for a while but has been painting some figurines. .

The next theme will be "Idaho" and will be held in May. The Spring Show in Seattle and the Salt Lake Show will both be held in April. We also had a new member, Larry Van Bussum a scifi and real space aficionado, but also like to build airplanes and the occasional car.

# Prez's Prattle

*His Excellency Tommy G.*

I must say that I was quite surprised at the level of turn out for our Tamiya theme. I believe that we had a total of 23 models in attendance! All I can say is wow!

I have a little favor to ask of those in attendance. During the buying melee at the end of the meeting, Bill gave me two sets of decals that were old Eastern Airlines markings. In the craziness, I must have put them down and somebody else picked them up. Could you please bring them to the meeting so that I can help Mad Dog with a project, because it sucks to get old and do things like that.

On a different note, Brian Geiger sent out an email letting all of us know that there will be a private tour of a substantial collection of military vehicles the Sunday after the Salt Lake Show. Hopefully he will be at the meeting with more information for those who are not online.

On that same note, I do not think we should change the meeting date simply because it falls on the Seattle Spring Show. This is not fair to those who will not be in attendance. However, Paul and I will be in Seattle, so I will have to rely on Brian or anybody on the board who will not be in Seattle to take care of business.

For those who were disappointed that I did not bring the Revell Lancaster last meeting I will make up for it by bringing it to this months meeting. I must tell you, I have resisted mightily not starting it right away!

See you on the 15<sup>th</sup>!
